

TESTIMONIAL from a Zoogee VIP Distributor

“What do you do when a client calls and tells you they need 15,000 ¾” Zipper pulls with an intricate 4 colour process imprint in 2 weeks for Canada’s biggest sporting event?

You call Zoogee World of course....

The Zoogee World team made what everyone else said was impossible a reality. Our customer was blown away with the quality of the imprint and the goods actually arrived early.

Thanks for making us look great.”
